From the author:

Hi there,

First off, THANK YOU for purchasing *Tales From The Co-Op*. If you like this comic and haven't read the parent comic *Life In The Co-Op*, please take the time to get acquainted with them. You can find earlier issues at Rabbit Valley® Comics in the *Spooo Presents* directory. *Spooo Presents* issues #11 *Moving In*, #18 *Performance Part 1*, #21 *Performance Part 2*, and #24 *Yesterdays* can all be purchased by visiting http://www.rabbitvalley.com.

In this first 'spin off' issue, we have the talented Rika Wulf illustrating. *Freedom* came about when I was asked to write a story for nice guy named Josh, featuring his character Alex. I sent the story to the crafty fox at Rabbit Valley. He liked it, and said it didn't suck and should be published. I thought, how about a spin off issue of *Life In The Co-Op* called *Tales From the Co-Op*. He liked the idea. At about the same time Rika Wulf posted a journal requesting comic ideas. The best one would be drawn. I took the opportunity to pitch the story to her. She liked it and decided to be the first of hopefully many artists to lend their ink to this series. *Tales From The Co-Op* will be side stories that don't tie into the main story, featuring main, one shot, and/or background characters that may seem interesting for me to write about. I may also hold contests for furs who would like to see their character featured in a comic. Who knows?

For updates and exclusive art, fan art, and stories join the *Life In The Co-Op* yahoo group - http://www.groups.yahoo.com/group/LITC_Comic. Like the book, it's for adults only. If you have any questions, drop me a note on the group or send me email - runtt01@yahoo.com - I'd love to hear from you. Also check out Rika's page too - http://www.furaffinity.net/user/rika.

I hope you enjoy this first episode of *Tales From The Co-Op* and please keep supporting independent artists by purchasing comics, books, and prints. Without YOU, the reader, we wouldn't exist. THANK YOU & HUGE WAH HUGGLES!

Runtt...

From the publisher:

Andrew Rabbitt here, the crafty fox of Rabbit Valley Comics. This issue was a lot of fun to layout as I was able to work closely with Rika Wulf and close to the deadline. Talk about all night sessions of artwork and early morning layouts. All in all, I'm very happy with how this issue turned out and can't wait for the second episode of *Freedom* to be complete. Hopefully with less of a rush.

Cheers to Runtt, Rika Wulf, and Josh for making this one possible. We really do enjoy working with all of our *Spooo Presents* contributors. You guys and gals make this whole thing worth doing.
